Warm Greetings!

International Council for Education, Research and Training (ICERT), India & USA, in collaboration with NIILM University Kaithal India, Britts Imperial University College UAE, CSEI Academy UAE and Himalayan College of Management Kathmandu Nepal, is organizing Three Day International Multidisciplinary Conference on "Recent Advancements in Commerce, Management, Humanities, Social Sciences, Sciences & Engineering for Sustainable Development" on June 10-12, 2025, in Dubai UAE.

About the conference: Objectives & Sub-Themes

Multifaceted issues addressed in UN SDGs, like climate change, poverty, and human rights, education, justice, etc., require knowledge and skills from different disciplines. Interdisciplinary education can help people understand and act on complex problems. Achieving SDGs requires a multidisciplinary approach that involves not only expert from single discipline/ disciplinarian, but also experts from other fields including all service sectors.

Professional, academicians, scholars, researchers, psychologists, special educators, practitioners, and Postgraduate/ Graduate students are invited to submit their abstracts to be considered for presentation at the Conference. Speakers and presenters will share new concepts, best practices, knowledge, experience, theories, and solutions, with a focus on promoting learning, professional development, education, and inspiration among professionals and academics in their respective fields.
