Student Orientation Programme

Student orientation programme plays an important role in student transition to a university life. Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its faculties and infrastructure. It enables them to make essential connection with studies and develop network among other peers.

Orientation Programme Meaning

In the beginning of the first year, students need to be made acquainted to their surroundings in the campus. This includes introductory sessions, giving them an overview of the university life; the rules and regulations mandated for each student in a particular University. It is an essential period at the beginning of the university session, which allows the students to get settled in their new environment. Teacher coordinator of every stream sets a model of introductory orientation programme that includes academic as well as social activities.

The three basic goals of university when organizing an orientation week/month are:

- Introducing students to their University life.
- Incorporating them in the university environment.
- Giving the opportunity to the university members and faculties to get connected to the new batch.

जशा मुक्त भारत अभियान और इसकी सफलता के आगे का नम्बरा

आज की शक्ती है और यह शक्ती बहुत ही तेज गति से अपना विकास कर रही है फोन से लेकर मोबाइल तक पहुंच गए समुद्री जहाज से हवाई जहाज तक पहुंच गए मानव ने तरक्की बहुत की है लेकिन आज के जमाने में लोग एक और चीज को अपनी तरक्की मानते हैं और वो चीज है नशा युवाओं का शौक बन चुका है नशा युवाओं को 19 साल तक के है 16 से शुरू की 19 वर्ष से आ रहे है

नशी की चपेट में इन युवाओं का आने का सिर्फ एक कारण ही है अगर इन्हें कोई प्रश्न प्यो पीते है तो बीलते है जोक में पीते है युवा हर प्रकार के नशी को शौक मानते है और शराब पीकर नशी को खाते है असल में नशी बुरा है नही बल्कि नशी की खाई में गिराने रहा है

दूसरा कारण हमारे देश के युवा अपना आर्थी किरा को हली पर्स खिलानी को न मानकर फिल्मी लोरी को मानते है इनको क्या पता युवाओं

क्री जो फिल्म में पदार्थ शराब प्रयोग की जाती है वह नकली होती है यह सब हमारे युवाओं को नहीं पता है। वह तो फिल्म की नकली दृश्यांश को देखकर अपना असली जीवन बर्बाद कर रहे हैं जो जीवन अभूत है जो जीवन मलाई के लिए काम आना चाहिए उसे शराब के युवा मनोरंजन में बर्बाद कर रहे हैं।

आज कल हरियाण में पंचायत चुनाव चल रहे हैं और इन चुनावों में अमीन देखने की 17 साल के लड़के सरआम शराब पी रहे हैं। पूछने पर पता चला कि वे शराब उन्हें सरपंच उम्मीदवार के घर से मिली है। हमें हेरान रह गया यह सब देखकर कि कैसे गांव के युवाओं का चुनाव के चयन में नाश और है। केवल पांच बड़े साल सरपंचों को पाने के लिए वे उम्मीदवार युवाओं की जिदंगी से खेल गया कुछ गलती उनका युवाओं की भी है जो शराब लेकर पी रहे हैं। इससे अच्छा वह गांव के विकास के लिए सरपंच उम्मीदवार से वादा लेते हैं प्रशासन को कुछ नहीं करता बस लबाबा देखा रहता है क्योंकि किसी को भी किसी को नहीं पड़ी है पुलिस आती है चली जाती है।

जशा मुक्त भारत अभियान का उद्देश्य क्या है ?

मुक्त भारत अभियान के लिए हर साल कैंप लगाए जाते हैं ताकि उन्हें नशा करने के नुकसान के बारे में जानकारी दी जा सके ताकि वह इससे बच रहे और फलान के नशी में ना फसे।

दरअसल दारु शराब बीयर तबाकू यह कुछ ऐसी नशी है जिनका सेवन आज भारत में काफी बड़े पैमाने पर किया जा रहा है युवाओं इन नशी की इसलिये भी करते हैं क्योंकि अक्षय कुमार उषय देवान और शाहरुख खान जैसे अभिनेता गुटखा पान की विज्ञापन करते हैं और युवाओं की लगता है ये अच्छी चीज है जो कि दिग्गज अभिनेता इसका इतना प्रचार प्रसार कर रहे हैं उन युवाओं को क्या पता कि यह विज्ञापन केवल दिखावा मात्र है इस विज्ञापन के बदले इनकी कमाई मिलने है लेकिन हमारे भारत की अमर्ष जनता को यह बात नहीं पता वह बस वस अभिनेता का चेहरा देखकर खरीद लेते हैं और नशी को खरीदने में आ रहे हैं।

नशा और वाम समय का नशा →

भारत में नशी पर रोक लगानी है ताकि युवाओं के लिए सबसे पहले हमारे युवाओं को जो परीक्षा अभिनेता हैं उनको विज्ञापन नशी के बंद कर देने चाहिए ताकि युवा उन से प्रोत्साहित न होकर कोई भी नशी की वस्तु न खरीदे।

भारतीय क्रिकेटर श्री. राहुल शराव का विज्ञापन करता है और कहता है "Royal Stag शराव it your life make it large" पीकर जिसकी life बड़ी है नशी पीने जिन्गी घटती है बढ़ती नहीं।

अगर युवाओं को नशी से दूर रखना है तो किंगज अभिनेता क्रिकेटर नशी के विज्ञापन बंद कर देने चाहिए।

Nasha Mukta Bharat Abhiyan

Drugs are like knife, which kills your entire life.

Humans are after so many things which are actually nothing just temptation. For humans, health should be their greatest wealth. Just imagine you are having all the money be of any use to you? Absolutely no, addiction to drugs is one major issue India youth are facing right now.

Students of all ages are getting distracted by the life threatening drugs and rotting by the life-threatening the youth of India. The youth and people of India are getting distracted by this major issue and this is why Nasha Mukta Bharat is one of the Biggest Campaigns India is conducting right now to make the Country drug free.

It is very easy for the youth to get distracted from their path. First you just try smoking a cigarette, then it becomes you style, and then it becomes an addiction that is now very difficult to fight. The first line of defense to safeguard from these addictions is in our minds.

Every young people must say no to drugs the moment their friends force to them. It is no ways to that they are offering them they are also co-operate with them why they don't say no to them.

It is a sin because it can take your beautiful life from you. It can take many years from your precious life if you get in the claus of the drugs. It is very hard to come out, many feel and lose their life. Many youths just start this bad habit just to flaunt which is not wise to all. It is hard to make teenager-s understand, but still, there are ways parents should guide their children, must know how they are feeling, what they want, and should be easy on them in their critical ages.

parents, friends, and teachers can save many young people from getting into the habit of drugs. Many teenager-s try drugs for fun and some are affected in their life. parents and teachers can totally save these kids by observing their behaviours.

If they find someone taking drugs they must not punish them instead of helping them. Nasha Mukta is important to everyone who is using some sort of drug. We can make this possible if every citizen and parent willingly come together to fight the enemy.

We have to be very careful with our kids when they are in critical teenage. This is the time when they are most affected. Parents should teach them about good virtues from the beginning. They should teach them how people harm them with drugs.

They should do everything in their power to control their kids. Today Indian government has taken many steps and conducted programs like Nasha Mukta Bharat to make sure every child is free from this habit so that we can secure our future.

Drugs are way to hell and no one can ever enjoy a happy life if he or she is addicted to drugs. Many accidents on roads are caused because people are driving under the influence of alcohol. Teenagers and young people can commit huge crimes because of the habit of drugs which they have to fulfil.

Firstly, I want to say government have to stop drugs selling in shops and they have to help those ladies who are suffering from their husband who are drunk alcohol.

But the government has opened many drug free centres where people are helped in quitting their bad habits. On television, we can see many advertisements that help people quit smoking and other forms of tobacco.

To battle with drugs, we need to make everyone aware of how bad drugs can be and how badly they can affected one's life. It is time that we all shake hands and stop everyone who is selling drugs. standing in the way of drugs is the biggest step we all can take to stop them from harming our generations.

This is Nasha Mukti par essay from this entire article, we cover all information regarding the say no to drugs.
