P.T.O*

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the University.
- To promote measures for University functioning towards quality enhancement through internalization of quality culture and University aviation of best practices.

IQAC shall evolve mechanisms and procedures for

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and proper allocation of support structure and services.
- Sharing of research findings and networking with other Universities in India and abroad.

Some of the Functions Expected of the IQAC are:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the University.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning processes.
- Dissemination of information on various quality parameters of higher education.
- Organization of inter and intra University workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the University for Coordinating quality-related Activities, including adoption and dissemination of best practices.
- Development and maintenances of University database through MIS for the purpose of maintaining/enhancing the University quality.
- Development of Quality Culture in the University.
- Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

IQAC will facilitate/contribute

- Ensure heightened level of clarity and focus in University functioning towards quality enhancement;
- Ensure internalization of the quality culture;

P.T.O.

- Ensure enhancement and coordinating among various activities of the University and University's all good practices.
- Provide a sound basis for decision-making to improve University functioning;
- Act as a dynamic system for quality changes in HEIs.
