*"Learning gives creativity, creativity leads
to thinking, thinking provides knowledge,
and knowledge makes you great."*

- Dr. A.P.J. Abdul Kalam

REGULATORY APPROVALS & AFFILIATIONS

WELCOME TO
NIILM UNIVERSITY

"At NIILM University, you will discover new experience in a dynamic and supportive environment. Your horizons will broaden, and you will discover the liberating power of new ideas and insights. You will be intricately woven into our core fabric of flexibility, creativity and innovation and walk out with the confidence, energy and ability that you need to realise your dreams and potential. Here you will explore a new world of opportunities. Come and see for yourself the vibrancy and innovation, inherent in our courses and environment."

NIILM University is home to the talented and gifted, to those with a passion and a commitment, and to those who have the will to showing you the path, helping you overcome obstacles and celebrating the moment when you reach the top. We also believe in making you understand the importance of carrying the torch and lending the helping hand in the same as it was once extended to you. We prepare you to conquer the challenges of live and to compete successfully in the most adverse of the circumstances and also realize that although survival belongs the fittest, competition does not imply the success of the only one. Albeit, position at the pinnacle is precarious, It is large enough to accommodate one and all.

In our firm belief, value based learning has far greater relevance in a dynamic and every changing work environment. We ensure that our students share a very special relationship with the institution - easy accessibility to the faculty guidance, firm assurance of staff support and a very caring and nurturing environment, all lead to effective realization of our objectives is one of openness, mutual trust and faith where mission is to demonstrate an unconditional commitment to learning.

Our academic programs are not only benchmarked against international norms & standards but are periodically streamlined according to the requirement of the industry.

We provide individual attention to all our students, thus enhancing their ability to acquire and apply knowledge. Vibrant and skilled faculty base inducted both from academia and industry possesses in addition to impressive credentials, a missionary zeal for teaching and shaping careers at NIILM University.

So come and experience the difference and become a part of the ever growing family.

OUR LOGO

Our logo collectively reflects the values, philosophy and unique principles of the institute and emphasizes the high quality of education, modernity and relevance of knowledge and the authority of the institute.

The Symbol of WINGS:

Wings are extremely rich in symbolism. They evoke freedom, spirituality, and the ability to reach new heights, and can hint at speed, movement, and success.

The Symbol of PEN:

The mightiest weapon of the globalized world, education represented by the pen creating the right impact at the right place at the right time giving wings to achieve all ambitions and ignite in each one of us the flames of creativity, wisdom and character.
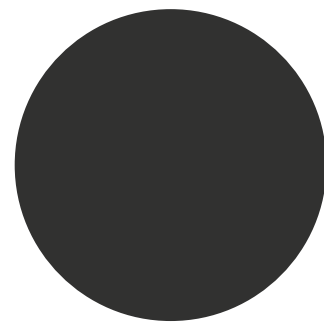

The Colour GRAY:

Gray, the color of control. Gray is neutral, conservative and unemotional. It is practically solid as a rock, making it incredibly stable, reliable and calm. It has a peaceful, relaxing and soothing presence. Gray avoids attention but offers mature, insightful advice to anyone who asks.

VISION

Striving for excellence in education, driving innovation, and nurturing impactful leadership for a better tomorrow.

MISSION

- To create state-of-the-art infrastructure specially well-equipped labs to ensure skill oriented learning in a pleasing environment.

- To engage qualified and industry experienced faculty members fully capable of mentioring young ignited minds, evolving as per needs of the time.

- To develop curricula with right mix of knowledge, skills, attitude and behavior fully aligned with the world of work.

- To create and disseminate knowledge leading to technology transfer for the benefit of society.

- To create vibrating network with industry, academia, society and the government for sustainable development.

- To contribute effectively to job creation with focus on promoting entrepreneurship through schemes like Make in India, Startup India, Digital India, etc.

CORE VALUES

Built on the vision that education serves as a keystone in improving society and building better future for all, we are committed to our core values of:

- Excellence
- Ethics in work and behavior
- Dignity
- Diversity
- Student focus - be adventurous, creative and open-minded
- Collaboration and public engagement
- Be passionate and determined
- Be humble

Our mission is to create leaders, winners and achievers in a competitive scenario. Leaders who inspire a vision, winners who sets positive paradigms of action, and achievers who have the will and the strength to make a difference in the global society.

INTERNATIONAL EDGE

NIILM University has always believed in making their program curriculum truly global. In a unique collaborative effort with some of the best universities in the world, students from NIILM University will be taught by some of the most reputed members from India and abroad.

Our tie-ups with some reputed University Overseas offer a unique opportunity to our students to avail all the facilities of students exchange program, twining program, etc.

MESSAGE
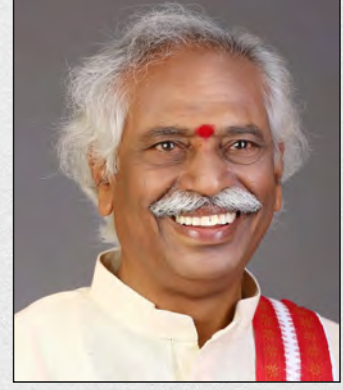

Sh. Bandaru Dattatraya

Hon'ble Governor, Haryana

It is a matter of great delight that NIILM University, Ambala Road, Kaithal, the only rural university in the district, is going to release its Prospectus of Academic session 2024-25.

As a beacon of education in the region, the university has been actively contributing to the intellectual and socio-economic growth of the surrounding rural communities. One of the notable initiatives that underscore its commitment to academic excellence and community engagement is the annual release of its Prospectus.

The university publication serves as a platform for showcasing the scholarly achievements, creative endeavours, and cultural richness of the university's students and faculty. It reflects the vibrant academic environment fostered by NIILM University and highlights the diverse talents that thrive within its rural setting.

Through Prospectus, the university not only celebrates the intellectual prowess of its academic community but also reinforces its dedication to nurturing a holistic educational experience that extends beyond the classroom.

This Prospectus encapsulates the academic achievements and Basic information of NIILM University and also symbolizes its role as a catalyst for positive change and progress in the rural landscape of Kaithal.

Best wishes!

Bandaru Dattatraya

MESSAGE
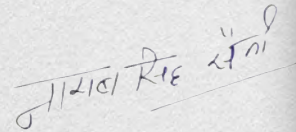

Sh. Nayab Singh Saini
Hon'ble Chief Minister, Haryana

It gives me immense pleasure to know that NIILM University in Kaithal is going to release its prospectus 2024-25. it is heartening to witness the consistent efforts of the University in bringing together students, teachers, researchers, scientists, engineers, and other professionals on a common platform. Such initiatives play a crucial role in fostering collaboration, facilitating the exchange of ideas, sharing experiences, and fostering the development of new innovations. Moreover, such document contributes significantly to the promotion of national integration across all levels.

I am confident that this initiative will serve as an excellent platform for stakeholders to share their innovative experiences, gain insights from experts across diverse fields, and stay abreast of current trends and challenges in their respective domains

I extend my heartfelt wishes to NIILM University, its esteemed faculty, dedicated staff, and the enthusiastic students for continued success in the years ahead. I convey my best wishes on this occasion.

Nayab Singh Saini

FROM THE DESK OF
VICE-CHANCELLOR

Prof. (Dr.) Shamim Ahmed
Vice-Chancellor, NIILM University

Education is light and illiteracy is darkness. As an educationist, it is my bounden duty to spread the light of wisdom over the gloomy terrain of illiteracy. Education distinguishes a human from inhuman. Illiteracy is a curse and literacy is a grace leading one to self- realization. The Human being is a superb creation of nature representing the microcosm of the universe. In a way, he or she can be termed as a full-fledged universe endowed with invaluable treasures, which needs to be explored as a justification for its existence. Whatever is offered by nature to mankind is for research and exploration. The more you go deep down, the greater shall be your achievements. There is no end to this cerebral exercise. It must continue on as an incessant pursuit to eternity as there is no limitation to the universe likewise there is no end to the valuable treasure in you either. As a teacher, it is my paramount obligation to enlighten you about the hidden wealth within you making you capable enough to unearth it. So that you can become the strength of the nation you are born and brought up in.

As Swami Vivekanand explained, the basic objective of the education is mental, moral, and physical development. So you need to assess yourselves in this perspective and take corrective measure, if required, to imbibe those virtues in you. This is how you can be a noble personality to ameliorate the overall interest and the cause of society.

I wish you all the best

Prof. (Dr.) Shamim Ahmed

FROM THE DESK OF
REGISTRAR

Dr. Rajiv Dahiya
Registrar, NIILM University

It gives me great pleasure to invite you to take initial peek into the heart that beats behind the appealing facade of NIILM University. I thank you for your interest in this exceptional institution which has recorded a decade of constant development and recognized for its excellence.

NIILM University happily brings together sound academic achievement with an extensive, vibrant co-curricular program that includes sports, and leadership training programmes. Our mission is to inculcate the love of knowledge in our students and, for this; we aim to develop the skills and demeanor of lifelong learning essential for making responsible global citizens. This will make them immensely capable of facing the future with resilience and optimism. On the deeper level, we try to instill the values of respect and trust in relationships that are the foundation of real success.

Our curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs of our students. Our staff consistently follows current trends and after brainstorming over the best plan of action to incorporate those trends, we zero in on the ones that are most appropriate to our classrooms. The system of education has become so dynamic that it is no longer enough to connect the dots, we need to think out of the box and think beyond a pattern.

At NIILM University, we believe that education is a wholesome, holistic exercise and as such we strive to give a whole new meaning to the world. Coupling this basic premise with the idea of a sense of belonging to one family - the NIILM family - we look at ourselves as 'care-givers.' We care for the mind - ours is a sterling academic institution; we care for the person - the accent is on the all-round development of personality. I wish you the best in the process of seeking to become a part of this family.

Dr. Rajiv Dahiya

FROM THE DESK OF
DEAN ACADEMICS

Prof. (Dr.) R.K. Gupta
Dean Academics, NIILM University

I am privileged to contribute to a fast-growing, creative, and respectful learning community. I would like to express my deep feelings of gratitude to everyone of you for your constant support, love and concern towards the NIILM University which enables and encourage us to strive hard to carry forward research oriented environment to one and all. My vision is to focus on all students achieving educational excellence, through a rich curriculum and respectful atmosphere. We would prepare our students to become strong participants and leaders in the world community.

I am very fortunate to work with many dedicated, innovative and caring staff members, parents and students. Each day is filled with new experiences, learning for all and the ability to make someone's day better. In my opinion education is the vehicle of knowledge, self-preservation and success. Education not only gives us a platform to succeed, but also the knowledge of social conduct, strength, character and self-respect.

I feel honored to be a part of the NIILM University family and serve in my role as a Dean Academics. I am here to support the students, teachers and the University community.

Prof. (Dr.) R.K. Gupta

TABLE OF CONTENT

KAITHAL
LAND OF HISTORICAL PANORAMA

Kaithal was part of the Karnla District at the time of Haryana State formation. Later Kaithal became the part of the Kurukshetra District. On November 01, 1989, it became the headquarter of the Kaithal District of Haryana. Kaithal has only three and half hours drive from the National Capital.

It is located near the Bidkian Lake, and was an important town during Akbar's rule. The town is said to have been founded by Yudhishthira in celebration of the Pandavas' victory in the Mahabharata. It was first known as Kapisthala, or Abode of Monkeys, and is the birth place of the monkeys' God 'Hanuman'. A temple in memory of Hanuman's mother 'Anjana', is built here.

Kaithal has many colleges and schools which are imparting world class education to the students of Kaithal District area. The NIILM Education Trust has established the NIILM University in Kaithal. This is a major landmark in the education sector of the Kaithal District. The international feel, well developed infrastructure and the quality of education, all contribute to the academic excellence of the University. It is believed that in the coming years the University will contribute in a big way to the growth and development of not only Kaithal, but the entire state. At present, Kaithal is a flourishing town known for its cotton and rice plantation. All modern facilities and amenities are available in the city. It has malls and multiples that form a hub for youth, both for education and recreation.

HISTORICAL PERSPECTIVE

THE SITE OF BATTLE BETWEEN RAJIA SULTAN AND DELHI FORCES

A fierce battle between Razia Sultan (Iltutmish's Successor) and the rebel forces of Delhi, was fought here. She is said to be buried here, although her tomb is also a mosque near her tomb. The Emperor Akbar renovated this town and built a fort, and after the third battle of Panipat the region came under the rule of Bhai Desu Singh, a Sikh leader, whose palace has now no been converted into a police station and overlooks the lake.

THE MAIN ATTRACTIONS

The Phelgu tank is a watery and holy site in honour of Rishi Phelgu who meditated here, and the Pundri tank dates back to the Mahabharata period. A few temples are also scattered around, like the Saraswati temple, Kapil Muni Temples and Baba Narayan Das temple. The tombs of Shah Wilayat, Sheik Shihabuddin, Shah Kamal and Bidkiyar Kale itself are worth a look.

BRICK TEMPLES

Going to legend, a king called Shalivahana ruled area is the 7th century AD. He was cursed that he would die during the night, but by a stroke of luck he touched the earth where the temple now stands. The curse was revoked, and the King's happiness knew no boundaries. So he gave orders for five temples to be built, out of which only two stand now.

One of them must have originally stood on a terrace but is now half buried under a mound of earth. Both temples follow the Ajanta-Ellora pattern of rock cut facade. Constructed from carved bricks, the highest point culminated in a shikara (pinnacle) and is joined in a beehive manner.
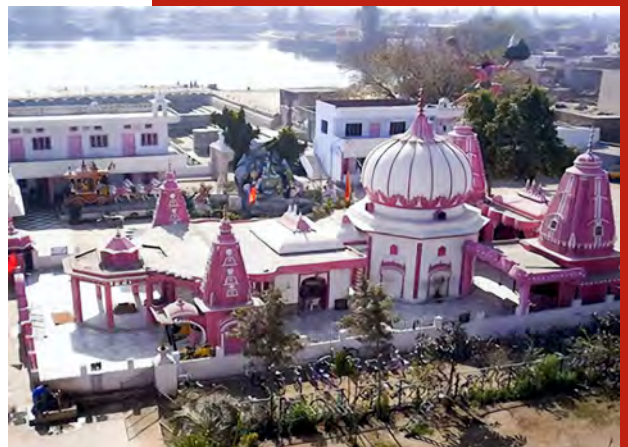

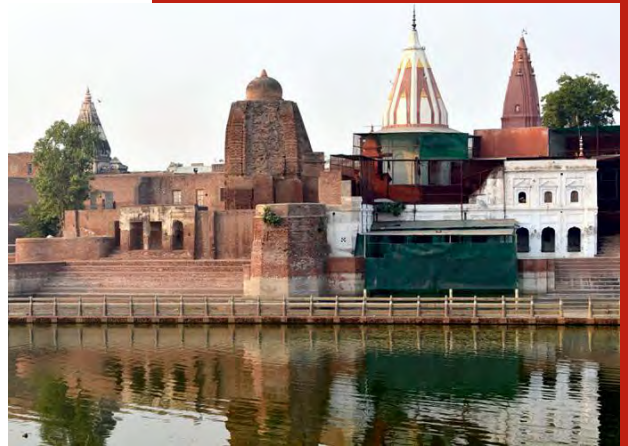

Why Study at
NIILM UNIVERSITY?

- Situated in the heart of Kaithal and complemented by the historical significance of the city, our university boasts of an ideal location with purpose built and world level facilities.

- The university campus sprawls with various departmental buildings with administrative block presenting spectacular harmony in the architecture and natural beauty. The lush green campus provides the best ambiance and atmosphere for learning

- The curriculum contains syllabi and modern techniques for learning latest technological trends, continuous assessment of students' progress, regular teacher-guardian interaction, and career counseling are regular features.

- We welcome students to a supportive and friendly learning environment, where 1:1 personal support and advice is just in hand. Dedicated academic supportive staff, student support advisors and career counselors remain helpful throughout the journey at the university.

- On campus air cooled separate boys and girls hostel facilities with library and 24x7 internet connectivity with power backup facilities.

- SCHOOL OF YOGA

DEGREE APPRENTICE PROGRAM (DAP)

- To improve the employability & entrepreneurship of students pursuing general degree Programme.

- To focus on experiential learning based on industry demand.

- To promote industry integrated linkage between the higher education system and Industry.

India is going to have the largest working age population in the world by2030. To capitalise on India's remarkable demographic dividend, it is essential not only to improve the quality of education but also to make it relevant as per industry need for providing employment opportunities right after completing education, degree apprentice program is fully aligned with UGC guidelines and UN Sustainable Development Goals (SDGs).

Apprenticeship and internship have a huge role to play, apprenticeship is considered as the most efficient and promising structured training for exposure to the real working environment. This has enormous potential to combine work-based learning experiential learning with broader knowledge of related disciplines during UG/PG. Through apprenticeship/internship, Students may actively engage with the practical side of their leaning to make themselves ready for future job needs.

NIILM university has developed the Industry-Integrated framework to engage all students of NIILM University form any discipline to undergo skill-based training program which leads to employability and entrepreneurship.

Don't only earn a Degree. Get Job Ready Industrial Skills with NIILM University.

Academics   **Sector Skills**   **Apprentice & Job**

SCHOOL OF
APPLIED AND
BEHAVIORAL SCIENCES

The School of Applied and Behavioral Sciences encourages holistic development of students to their full potential. It provides an opportunity for the students to choose academic and industry oriented courses from different combinations in B.Sc. and M.Sc.. It also offers quality research through Ph.D. Programs. The applied nature of NIILM courses, combined with specialist facilities, empower students to explore their passions and make a difference. Whether it's experimenting in the lab, getting up to speed with the latest in sports science or developing knowledge in the classroom. The School of Applied and Behavioral Sciences has following departments:

- Department of Physical Science
- Department of Biotechnology
- Department of Geography
- Department of Mathematics

- Department of Biological Science
- Department of Psychological Science
- Department of Home Science

The school offers a range of undergraduate and graduate programs with enriched curriculum. All the programs offered by the school meet the standard for quality in professional education for the holistic development of its student's community. We encourage flexible methodology with experiential learning, having multidisciplinary system aiming at emancipation of knowledge in core and applied facets of education with competent, resourceful and innovative tam of faculty. All departments and faculty of SABS work in tandem and strive to provide equitable and safe multiracial, multicultural and multiethnic environment that promote innovative thinking, research and learning. Diversity, Inclusion and Equity are the foundation of the school where differences are valued and all members feel warmth to achieve their academic and professional goals.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	**Ph.D.** Physics, Chemistry, Mathematics, Botany, Zoology, Biochemistry, Statistics, Biotechnology, Forensic Science, Home Science, Microbiology, Psychology, Geography, Environmental Science	**Masters in Relevant Subject with min. 55% marks**	3 Years		**4,00,000/-**
2	**M.Sc.** Physics, Chemistry, Mathematics, Botany, Statistics, Geology, Zoology, Home Science, Geography, Psychology	**Graduation in Relevant Subject**	2 Years (4 Sem)	29,500/-	**1,18,000/-**
3	**M.Sc.** Microbiology, Biochemistry, Biotechnology, Forensic Science, Environmental Science, Food Technology	**Graduation in Relevant Subject**	2 Years (4 Sem)	32,500/-	**1,30,000/-**

SCHOOL OF
LIBRARY & INFORMATION SCIENCES

NIILM University School of Library and Information Science offers various programs in Library and Information Science. With the mission of preparing a workforce of qualified professionals for the roles in information environments, libraries and archives, the School of Library and Information Science is providing a conducive environment with plethora of information sources. Through this evidence-based active learning, students gain appropriate knowledge, applied scholarship, and skills to serve the information needs of their diverse communities. The school of library and information science is committed to cultivating student centred learning community, valuing the diversity, supporting the inclusive learning environment, embrace the ideas of intellectual and academic freedom, and fostering the learning and research community. The iSchool of Library and Information Science is equipped with huge source of digital resources for NIILM University Staff and Students.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	**Ph.D.** Library & Information Science	**Masters in Relevant Subject**	3 Years		**4,00,000/-**
2	**M.Lib.**	**Graduation in Relevant Subject**	1 Year (2 Sem)	27,000/-	**54,000/-**
3	**B. Lib.**	**Graduation**	1 Year (2 Sem)	25,000/-	**50,000/-**
4	**D.Lib.**	**12th**	1 Year (2 Sem)	19,500/-	**39,000/-**

SCHOOL OF
PHARMACEUTICAL SCIENCES

Pharmacy profession demands strict adherence to a set of ethical principles. Our aim is to ensure the provision of high quality value-based education with an international focus while maintaining upmost professionalism, integrity and ethics. Out faculty best from all over the field are present here to offer their total commitment for the benefits of the student community. Pharmaceutical Science as a field is known to be highly competitive and demanding and is always on a lookout for professionals equipped with contemporary skills. In order to meet new age demands, The School of Pharmaceutical Sciences is continuously upgrading the facilities and infrastructure so as to enable the faculty to tune the students to prepare themselves for the challenging opportunities available in pharmaceutical sector.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	M.Sc. Pharmaceutical Sciences	B.Pharmacy	2 Years (4 Sem)	27,500/-	1,10,000/-
2	B. Pharmacy	12th	4 Years (8 Sem)	42,000/-	3,36,000/-
3	B. Pharmacy - L.E.	D. Pharmacy	3 Years (6 Sem)	42,000/-	2,52,000/-
4	D. Pharmacy	12th	2 Years		2,20,000/-

SCHOOL OF **PARAMEDICAL SCIENCES**

The School of Paramedical Sciences nurtures a culture of research and education through experiential learning that prepares students for tomorrow. Besides classroom teaching, students are given clinical & community exposure so that they become active change-makers & solution providers for the healthcare sector. The industry-aligned curriculum taught by faculty who are specialists in their respective fields along with active collaborations with industry leaders enables students to develop professional competencies required to address the world's health challenges. The School of Paramedical Sciences offers a plethora of undergraduate, postgraduate programs in health sciences. The program combines classroom teaching with practical training to enable students to develop a better insight and understanding of the medical profession. Explore the courses below to find the best degree program for you.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	**Ph.D.** Nutrition and Dietetics	Masters in Relevant Subject with min. 55% marks	3 Years		**4,00,000/-**
2	**Master in Hospital Administration (MHA)**	Graduation	2 Years (4 Sem)	38,500/-	**1,54,000/-**
3	**Masters in Public Health (MPH)**	BPH	2 Years (4 Sem)	42,500/-	**1,70,000/-**
4	**M.Sc.** Radiotherapy, Radiology & Imaging Tech., OT & Anaesthesia Tech., Optometry, Medical Lab Tech., Emergency & Critical Care, Dialysis Therapy, Cardiovascular Tech., Dental Asst., Respiratory Therapy Tech., CSSD (Central Sterilization Supplying Department), Physician Asst.	Graduation with Relevant Stream	2 Years (4 Sem)	38,500/-	**1,54,000/-**
5	**B.Sc. (Hons.)** Emergency & Critical Care, Dialysis Therapy, Cardiovascular Tech., Dental Asst., Respiratory Therapy Tech., CSSD (Central Sterilization Supplying Department), Physician Asst.	12th Science	3+1 Years (8 Sem)	34,000/-	**2,72,000/-**
6	**B.Sc. – L.E.** Emergency & Critical Care, Dialysis Therapy, Cardiovascular Tech., Dental Asst., Respiratory Therapy Tech., CSSD (Central Sterilization Supplying Department), Physician Asst.	Diploma in Relevant Stream	2 Years (4 Sem)	34,000/-	**1,36,000/-**
7	**B.Sc.** Public Health (BPH), Nutrition & Dietitics	12th Science	3+1 Years (8 Sem)	34,000/-	**2,72,000/-**
8	**Diploma** Radiotherapy, Radiology & Imaging Tech., OT & Anaesthesia Tech., Optometry, MLT, Critical Care Tech., Cardiovascular Tech., Dialysis Therapy, Dental Asst., X-Ray Technician	12th Science	2 Years (4 Sem)	21,000/-	**84,000/-**
9	**Diploma** Radiotherapy, Radiology & Imaging Tech., OT & Anaesthesia Tech., Optometry, MLT, Critical Care Tech., Cardiovascular Tech., Dialysis Therapy, Dental Asst., X-Ray Technician	10th	3 Years (6 Sem)	21,000/-	**1,26,000/-**
10	**DHA**	10th	3 Years (6 Sem)	21,000/-	**1,26,000/-**
11	**Diploma in Panchkarma**	12th Science	2 Years (4 Sem)	22,500/-	**90,000/-**
12	**Diploma in Medical Dresser**	12t (PCB)	1 Year (2 Sem)	21,000/-	**42,000/-**

SCHOOL OF
PERFORMING & FINE ARTS

Ever been fascinated by the art showcased in galleries or impressed by the architecture of a building? Well, there are people out there who work to make beautiful pieces of art in the form of sculpture, music, drama, painting, film, architecture, photography, animated characters, and a lot more. Our yoga education helps in self-control, and self-discipline, that lead to immense amount of awareness, concentration and higher level of consciousness.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	Ph.D. Yoga	Master in Relevant Subject	3 Years		4,00,000/-
2	M.Sc. Yoga	Graduation	2 Years (4 Sem)	21,000/-	84,000/-
4	PG Diploma in Yoga	Graduation with Relevant Stream	1 Year (2 Sem)	23,000/-	46,000/-
3	B.Sc. Yoga	12th	3 Years (6 Sem)	21,000/-	1,26,000/-
5	Diploma in Yoga	12th	2 Years (4 Sem)	18,500/-	74,000/-

SCHOOL OF
VOCATIONAL STUDIES

Vocational courses are training-based courses that aim at preparing students for a particular career, skill, or trade. Vocational courses focus on practical skills, and on-site training and thus offer better & quicker job opportunities. The eligibility and admission criteria for vocational courses is quite flexible. Students need to pass the class 10 and class 12 exams with minimum qualifying marks and from a recognized board. B. VOC subjects vary according to specialization. They generally include the skill enhancement subjects that are specific to the job roles the aspirant is hoping to undertake after completion of the vocational course. A Master of Vocation degree (M. VOC) allows potential candidates to develop professional skills and thrive in their particular field of art or technology.

Sr.	Course	Eligibility	Duration	Fee (Per Sem)	Total Fee
1	M.Voc	B.Voc or Equivalent	2 Years (4 Sem)	12,000/-	48,000/-
2	B.Voc	12th	3 Years (6 Sem)	12,000/-	72,000/-
3	Advance Diploma in Vocational Studies	12th	2 Years (4 Sem)	12,000/-	48,000/-
4	Advance Diploma in Vocational Studies	10th	3 Years (6 Sem)	12,000/-	72,000/-
5	D.Voc	12th	1 Year (2 Sem)	12,000/-	24,000/-

SKILL BASED
HIGHER
EDUCATION

Skill-based Higher Education aims to deliver the content and outcome through a blended approach. The hybrid nature of the programmes encompasses the theory component to cater the foundational concepts through physical, online, live classes, and the practical component to be delivered and practiced through **On the Job Training (OJT)** (at Industry/Live project/Site location). The composition of Theory and Practical components has been set to assure the student to be work-ready to enter a professional world as soon as the programme ends.

The programmes bring substantially different learning experience to students, as learning by doing/applying, learning from self-experience in an authentic work-practices, learning in a peer-supported environment, learning in the advanced form of application ecosystem drives the key pedagogical framework. The programmes are strategically designed to offer meaningful paths of progression for the students that assures the growth of knowledge, skills, academic and career. **WISE (Work Integrated Skill Based Higher Education)** provides a range of options to the learner that suits the existing educational qualifications and competencies. It guarantees a comprehensive learning experience towards the overall growth and development in the areas of Manufacturing, Retail, Logistic, Healthcare, Multimedia and Design etc. The support of top Industry partners, industry mentors/guide, expert faculties, learning management systems, are the key components that serve the base of execution. The overall priority is to ensure flexible and adaptable teaching and training practices, while assuring the highest standards of quality education.

TRADITIONAL HIGHER EDUCATION (VS) SKILL BASED HIGHER EDUCATION

Traditional Higher Education	Skill-based Higher Education
Traditional Curriculum: Theory – Experiments based	**Competency benchmarked curriculum:** Application – Practice – Production based
Limited Industry Linkage: Due to persisting Academic–Industry gap in curriculum, Industry linkage is limited to Industry Visit and Internship.	**Industry as Partner:** Curriculum designing, Practical Training, Assessment, Certification: Industry contributes as a partner
Work Experience (only) after Education: Recognition to entry to work (as trainee/intern) only possible after Education, due to limited access to practical skills & productivity, during education	**Education with Work Experience:** On Job Training. Apprenticeship, (unlike Internship), exposes to active participation in Industry's process for a longer duration, thus valuing the experience and productivity
Higher Education for Awarding of Degree: Due to less clarity/scope on interest and career, student randomly opts for degrees with hope to decide later in future	**Higher Education for Degree & Employability:** Suitable Credit framework and distribution of theory and practical supports the curriculum requirement for Degree, while. Practical and OJT at and by the Industry Partner assures for employability.
Single Mode of Delivery: Offline / Face-to-Face	**Flexible Mode of Delivery:** Face-to-Face, Online, On-site, On-the-job, In -campus

Placement Opportunity

NIILM UNIVERSITY EDGE

Multiple Entry and Multiple Exit
With 30% General Education, 70% Skill Training with Skilling and Industry Partners

Competency Driven Curriculum
For professional competencies and outcomes

Work with Industry and Apprenticeship
Opportunity to Work with Industry during education

Learning the Professional way
Meta Learning, Problem solving, Life skills, Digital comfort and communication

Industry as/in Campus
For understanding/practice of Industry from Day-1

Learning by doing
Practical & Practice to Do-Experience-Learn

Industry and Skill Certifications
Certification from Industry & Professional body

Phygital Learning Ecosystem
For smart and life-long learning in 21st century

Training by Industry Experts
To enable an environment of Industry Grade

Continuous & Outcome–based Assessment
What is done/ learnt every day, is assessed in real time

STUDENTS' BENEFITS

- **Comprehensive Knowledge:** The course offers a blend of business, design, and management principles. This interdisciplinary approach provides students with a comprehensive understanding of the industry.
- **Practical Experience:** Through practical coursework and On-the-Job Training, students gain hands-on experience in various aspects of the industry, such as designing, manufacturing, merchandising, and management.
- **Industry Exposure:** Regular industry interactions, internships, and guest lectures give students a real-world perspective of the industry, preparing them for their future careers.
- **Career Opportunities:** The course equips students with the skills and knowledge needed for a wide range of career opportunities in the industry.
- **Skill Development:** Apart from technical skills, the course also emphasizes the development of soft skills such as communication, problem-solving, and employability skills, which are essential for success in any profession.
- **Network Building:** Through industry engagement, students have the opportunity to build a professional network, which can be beneficial for job placements and career growth.
- **Innovation and Creativity:** The course encourages students to be creative and innovative, essential skills for staying competitive in the fast-paced industry.
- **Personal Development:** The course helps in overall personality development and provides guidance for career planning, making students ready for the professional world.
- **Entrepreneurial Opportunities:** For those interested in starting their own business, the course provides the necessary knowledge about the industry, business management, and digital marketing.
- **Global Perspective:** The course also offers a global perspective of the industry, opening the possibility of international career opportunities for students.

UG CURRICULUM AND CREDIT FRAMEWORK: HIGHLIGHTS

The University follow the Scheme of Studies as per Choice Based Credit System (CBCS), and NEP 2020 is adopted from the academic session 2023-24. NEP 2020 advocates that a holistic and multidisciplinary education would aim to develop all capacities of human beings -intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner. Such a holistic education approach is necessarily required at under graduate level. The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student. It includes the following features:

- Opportunity for learners to choose the courses of their interest in all disciplines
- Provision of multiple entry and exit options with a UG Certificate or UG Diploma or UG Degree depending on the number of credits earned
- Flexibility for students to move among the institutions through the implementation of Academic Bank of Credits (ABC)
- Flexibility to switch to alternative modes of learning (Offline, ODL, Online, and Hybrid modes)
- Enriched curricular framework for holistic development of graduate

Each discipline offers multiple categories of courses. As per NEP 2020, students have flexibility to chose the courses from the pool of courses.

Discipline Specific Core (DSC): It is mandatory core credit course of study to be taught in a programme. For example, in B.A. (Honours) History, the DSC shall be the core course of History. In multidisciplinary courses of study, such as B.Sc. (Honours) Life Sciences programme, a student shall study credit courses of three disciplines i.e., Botany, Zoology and Chemistry.

Minor Courses (MIC): It is a pool of credit courses of that particular discipline for single discipline programme of study, for multidisciplinary programme of study. A student may choose a course of study from this pool of courses. It includes vocational courses also.

Multidisciplinary Courses (MDC): It is a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students, excluding the courses offered by the parent discipline. In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as MDCs for that student.

Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC)

Students are advised to coordinate with their departments for the detailed programs, assessment and examination framework.

Internship: Internship is a course to develop a professional ability through an appropriate learning. The internship is for 8 weeks.

Research Project: Research project is a course involving applications of knowledge in exploring, analysing and solving real life situations/ problems.

Each academic year will be divided into two semesters July to December and January to June.

COURSE:

Each course is made up of following sub components-Lecture/ Tutorial/ Practicum/ Project Work/ Seminar/ Field Work/ Studio Activity/ Practice/ Survey/ Community Engagement and Service

One Mandatory Internship after 2nd Semester/ 4th Semester: All undergraduate students will attend one mandatory internship after 2nd or 4th semester.

DURATION OF THE PROGRAMME:

Undergraduate Certificate in Discipline= 1 Year/ 2 Semester

Undergraduate Diploma in Discipline= 2 Year/ 4 Semester

The duration of Bachelor Degree = 3 year/ 6 Semester

As per NEP 2020 and NIILM University Curriculum Credit Framework, there is Multiple Entry and Exit System (MEES), It allows students to exit a program at any time with a relevant certificate, diploma, or degree, and re-enter the same program or a different program at a later time.

Note: Fee structure and program duration mentioned from Page No. 06 to 29 in the prospectus is applicable on UG Certificate/ Diploma/ Degree offered by different schools.

HONORS/ HONORS WITH RESEARCH:

The duration of Honor/ Honors with Research= 4 Year/ 8 Sem

4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a 4-year degree programme with 180 credits (184 credits in case of single major) as per NIILM University CCFUGP 2024-25

4-year UG Degree (Honours with Research): Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University. The research project/dissertation will be in the major discipline. The students, who secure 180 credits (184 credits in case of single major), including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

Note: Fee structure mentioned from page number 06 to 29, semester wise is applicable for 7th and 8th semester after 3-year degree program.

SUBJECTS AND COURSES OF UG PROGRAMMES:

The University offers multiple programmes in four categories as per NEP 2020, and NIILM University CCFUGP 2024-25

Category A: Undergraduate Programmes (Multidisciplinary)

A student of UG Programme (Multidisciplinary), herein after called Category-A, will select three subjects A, B and C in the first year out of the pool of subjects in that discipline offered by the Department/School as Major Subjects. Minor subject is to be offered from the same discipline and will be different from three subjects which are opted as Major Subjects of that discipline. Any subject in a discipline can be a Major or Minor subject for a UG Programme.

Category B: Undergraduate Programmes (Single Major)

For students who choose to pursue single major after 2nd semester of multidisciplinary Programmes

Students who appeared from category A in 1st and 2nd semester can choose single major subject from semester 3rd onwards and will study as per NIILM University CCFUGP 2024-25.

Category C: Undergraduate Programmes (Single Major)

For students who choose to pursue single major from 1st semester

Students can choose single major subject from the major subjects' studies at 10+2 level or equivalent examination. A student has to secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a single major. For example, in a 3-year UG programme, if the total number of credits to be earned is 136, a student of Physics with a minimum of 68 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 184, a student of Physics with a minimum of 92 credits will be awarded a B.Sc. (Hons. /Hon. With Research) in Physics in a 4-year UG programme with single major.

Category D: Undergraduate Programmes (Interdisciplinary)

A student of UG Programme (Interdisciplinary), herein after called Category-D, will study three core courses of the discipline in each semester as prescribed in the scheme of the concerned programme. Following programmes are offered under this category.

The pool of programs and courses will be provided by the concerned department/ school. Students can choose the desired courses form the pool as per the category.

Note: Eligibility for admission to the UG programs will be as per NIILM University CCFUGP 2024-25.

PG CURRICULUM AND CREDIT FRAMEWORK: HIGHLIGHTS:

NIILM University offers three categories program in PG as per the Recommendations of NEP 2020 Relevant to Postgraduate Education and NIILM University CCFPGP 2024-25

	1-Year PG Programme	2-Years PG Programme	5-Years Integrated PG Programme
Eligibility	For students completing a 4-years Bachelor's programme with Honours/Honours with Research	2-year programme for students who have completed the 3-years Bachelor's programme	5-year Bachelor's/Master's programme after 10+2

Note: Fee mentioned from page number 06 to 29 as per the course is applicable to all PG Programs, fee will be charged semester wise as per category of the programs. Eligibility for admission will be as per NIILM University CCFPGP 2024-25.

PG CURRICULUM AND CREDIT FRAMEWORK: HIGHLIGHTS

The University follow the Scheme of Studies as per the recommendations of NEP 2020, adopted from the academic session 2024-25. There is 2-year programme PG programme with the second year devoted entirely to research for those who have completed the 3-year Bachelor's programme. For students completing a 4-year Bachelor's programme with Honours/Honours with Research, there is a 1-year PG programme. The University offers an integrated 5-year Bachelor's/Master's programme also. Main Features of the PG curriculum framework is:

• Flexibility to move from one discipline of study to another

• Flexibility for students who qualify UG with a major and minor (s) to opt for either major or minor(s) subject or any other subject if they are able to prove their competence in PG programme

• Opportunity for learners to choose the courses of their interest

• Flexibility to switch to alternative modes of learning (offline, ODL, Online learning, and hybrid modes of learning)

• Mobility and flexibility as per the UGC (Establishment and Operation of Academic Bank of Credits in Higher Education) Regulations, 2021, and UGC Guidelines for Multiple Entry and Exit in Academic Programmes offered in Higher Education Institutions.

Credit Requirement and Eligibility for the PG Programme

• A bachelor's degree with Honours/ Honours with Research with a minimum of 160 credits for a 1-year/2-semester PG programme at level 6.5 on the NHEQF.

• A 3-year/6-semester bachelor's degree with a minimum of 120 credits for a 2-year/4 semester PG programme at level 6.5 on the NHEQF.

• A 4-year Bachelor's degree (e.g. B.E., B.Tech. etc.) with a minimum of 160 credits for a 2-year/4-semester PG programme (e.g. M.E., M. Tech. etc.) at level 7 of NHEQF.

• A student is eligible for a PG programme in a discipline corresponding to either major or minor(s) discipline in UG programme on the basis of entrance exam or other criteria adopted by the University time to time.

GUIDELINES FOR VARIOUS RESEARCH PROGRAMS

Ph.D Courses

The degree of Ph.D. may be awarded in the various courses of the different departments:

Eligibility:

A candidates seeking admission to the course of Ph.D. must fulfil the following relevant academic criteria:

1. A 1-year/ 2-Semester master's degree programme after a 4-year/ 8-semester bachelor's degree programme or a 2-year/ 4-semester master's degree programme after a 3-year bachelor's degree program or qualifications declared equivalent to the master's degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade in a point scale whichever grading system is followed

Or

equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority; established or incorporated under a law in it's home country or any other statutory authority in that country to assess, accredit or assure quality and standards of the educational institutions.

A relaxation of 5% marks or equivalent grade may be allowed for those belonging to SC/ ST/ OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories candidates as per the decision of the commission time to time.

2. Candidates who has completed the M.Phil. programme with at least 55% marks in aggregate or its equivalent grade in a point scale whichever grading system is followed or equivalent qualification from a foreign educational institution accredited by an assessment and accreditation agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country to assess, accredit, or assure quality and standards of educational institutions, shall be eligible for admission to the Ph.D. programme.

A relaxation of 5% marks or equivalent grade may be allowed for those belonging to SC/ ST/ OBC (non-creamy layer)/Differently-Abled, Economically Weaker Section (EWS) and other categories candidates as per the decision of the commission time to time.

It will be the responsibility of the candidate to ensure his/her eligibility and fulfilment of such other condition (s) as may be prescribed for admission in the rules and regulations of the University. The admission to Ph.D. course will be in order of merit and subject to availability of seat (s) and expert (s) for guidance/ supervision in the area of research. Before submission of Application Form, the candidate is required to ascertain these facts from the concerned Department/Institute. Merely qualifying the entrance test will not ipso-facto entitle a candidate to get himself/herself enrolled for Ph.D. course in the concerned Department/Institute.

ADMISSION PROCEDURE IN Ph.D

Research and Development Cell of the university is responsible for the promotions and development of research and managerial support for the operation of research programs, sponsored research, consultancy, and related activities of the university. The Cell facilitates interaction with external agencies, both at national and 2 international levels. The Cell acts as a liaison between the university and funding agency to undertake sponsored projects.

Duration of Programme

Ph.D. program shall be for a minimum duration of three years, including course work and a maximum of six years, the period shall be counted from the date of issue of provisional enrollment letter.

Every Research Scholar shall submit his/her Thesis within a period of 6 (Six) years from the date of his/her enrolment for Ph.D. Course, but not before 3 (Three) years including course work. If a Research Scholar fails to submit his/her Thesis within a period of 6 (Six) years, will be treated as per UGC Ph.D. regulation issued time to time.

The period of 6 (Six) years for submission of Ph.D. Thesis by a Research Scholar may be extended in exceptional case, for a

Maximum of one year by the Vice-Chancellor on the recommendations of the RAC with an extra fee as per relaxation of two years for Ph.D. Course in the maximum duration of 6 (Six) years by the Vice-Chancellor on the recommendations of RAC. In addition, the women candidate may be provided Maternity Leave/Child Care Leave once in the entire duration of Ph.D. for upto 240 days which shall not be counted in the stipulated period of 6 (Six) years for submission of Ph.D. Thesis, subject to production of maternity certificate from a registered Nursing Home/Govt.

NIILM University changed rues for admission to Ph.D. Course.

Now admission to Ph.D. will be done on the basis of score obtained in UGC NET Exam. According to UGC a total of three categories have been prescribed in this.

Guidelines have been issued for admission to Ph.D. According this, many major changes have been made in the admission process for Ph.D. of NIILM University. Let us know in detail about the changed rule.

What the new rules issued for admission to Ph.D. in NIILM University?

Recently UGC had issued a guideline for admission to Ph.D. according to Ph.D. According the UGC, NIILM University has kept three categories for admission to Ph.D.

First Class

JRF pass candidates will be placed in the first category, whose admission in Ph.D. will be on the basis of NET JRF without entrance examination. Only interviews will be organized for this.

Second Class

NET passed candidates will be placed in the second category. Admission of these candidates will be based on NET Score. Only interviews will be organized for this. NET score will be valid only for one year.

Third Class

In the third category, those candidates have been kept who have neither passed JRF nor passed NET. Admission of such candidates will be based on the marks obtained in UGC NET paper. The marks obtained in NET will be valid only for one year.

* Admission in Ph.D. will be as per UGC Ph.D. Regulations issued time to time.

RDC
RESEARCH DEGREE COMMITTEE MEMBERS

The RDC shall consist of:

a. Dean, Research & Development Cell
b. Dean, Academic Affairs
c. An External Expert in the field
d. Supervisor of the Candidate
e. Dean/Head of the Department

The above Committee will scrutinize the application and synopsis of the candidate in regard to suitability of the research topic & capability of the student to carry out the research.

The candidate has to submit his/her research proposal to the university and after that a date is given to the candidate for the synopsis presentation. In the RDC meeting the candidate will present the research proposed work under synopsis before the RDC.

On the recommendation of the RDC the candidate will be eligible for registration in Ph.D. Programme. Once the candidate is eligible or registered in the programme he/she has to submit three (Six monthly PR (Annexure-I)) progressive reports to the supervisor.

ADMISSION RULES & POLICIES

NATIONAL/INTERNATIONAL ADMISSION POLICY

PREAMBLE

The NIILM University established in a rural area caters to students from different states of India and abroad. It endeavors to develop leaders and winners to serve society locally and globally. Therefore, the aims of the university to attract admission are to:

1. Attract talented students irrespective of gender, caste, creed, religion, race, and class and prepare them to be responsible citizens and potential leaders in an increasingly globalized work environment.

2. Recruit students from a wide range of backgrounds who have the potential and motivation to succeed in our challenging programs and can make a valuable contribution to the Institution.

3. Attract applicants who accept the challenge of higher-order thinking, the excitement of research-led teaching, and the high standards of learning and teaching.

4. Have a diverse learning community in which the students will meet people from different cultures, enhancing their cultural intelligence, critical reasoning, teamwork, and communication, thus preparing them for successful participation in their chosen careers and roles.

5. Provide an admissions process that ensures fairness, transparency, and equal opportunities.

6. Provide accurate information and advice to prospective students concerning its opportunities for undergraduate and postgraduate programs, which will help them to make an informed choice regarding the programs that suit their interests and skills.

7. Provide the potential applicants with accurate and clear information from the outset regarding eligibility, financial costs, and the availability of financial support.

ADMISSION ATTRACTIONS

1. Hi-tech Learning environment
2. Focus on Student Empowerment
3. Multi disciplinary campus with integrated Programmes.
4. Learning Outcome based Pedagogy
5. Research focused teaching-learning Process
6. Learning Management System for hybrid and digital learning
7. Integrated and Twinning Programmes
8. Work Integrated Programmes
9. Pollution-free environment
10. Lively and fun-loving Campus Facilities
11. State-of-the-art for Sports, Yoga & Gym

INTAKE OF STUDENTS

The Board of Management, on the recommendation of the Academic Council, shall approve the number of seats in various programs of the university at the beginning of each academic session in accordance with the availability of teachers and infrastructure and as per the approval of regulatory bodies.

RESERVATION OF SEATS

Reservation of seats for Scheduled Castes, Scheduled Tribes, Backward Classes, Special Backward Classes, Women, and Physically Challenged persons shall be provided as per the policy of the Punjab Government.

For the candidates belonging to Schedule Castes/Schedule Tribes or Other Backward Classes in all the programs of study, the Government rules shall be applicable for determining the eligibility criteria for admission.

FEE REFUND POLICY

The refund of fees shall be applicable for the following categories:

• As per Government instruction time to time applicable.

I. TUITION FEE REFUND

1. A request for a fee refund may be submitted through a Student Refund Request Form, which shall be available in the Student Interaction Cell.
2. All supporting documents and evidence together refund must be attached
3. The registration fee and entrance examination fee (wherever applicable) are non- refundable.
4. If the withdrawal application is received on or before the start date for classes, a refund will be issued after deductions as outlined in the table below and if the succeeding seat is not filled by another student, there will be no reimbursement of fees.
5. If the admission is terminated owing to non-payment of the remaining tuition fee by the due date specified in the Provisional Admission Letter, or if the student fails to appear at the University without prior notice, the entire money deposited will be forfeited.
6. Any scholarship awarded will not be considered for calculating fees.
7. Any refund request for payment to third-party bank accounts will be turned down.
8. The students who are expelled or whose names are stricken from the roll list due to non-submission of

documents, failure to register forth with in the given time period, non-payment of dues, or Any other reason is not entitled for refund. Only the security deposit will be reimbursed after paying any outstanding debts.

9. No interest shall be paid on any fees or deposits refunded.

10. In the event of a disagreement, the Director of Finance's decision will be final and binding.

11. The University reserves the right to modify and amend refund policies every year.

12. All disputes arising out of or in connection with this are subject to the exclusive jurisdiction of the Courts of Kaithal.

Sr. No.	Percentage of refund of fee (Sem)	Point of time when notice of withdrawal is received in SIC
1	**100%**	15 days or more **before** the formally notified last date of admission.
2	**90%**	Less Than 15 days **before** the formally notified last date of admission.
3	**80%**	15 days or less **after** the formally notified last date of admission.
4	**50%**	30 days or less , but more than 15 days **after** the formally notified last date of admission.
5	**Nil**	More than 30 days **after** the formally notified last date of admission.

2. HOSTEL FEE REFUND

- **Persons of Indian Origin (PIO)/ Overseas Citizen of India (OCI):** A person who or whose any of ancestors was an Indian national and who is presently holding another country's citizenship/ nationality i.e. he/she is holding foreign passport.

- **Non Resident Indians (NRI):** An Indian citizen who is residing outside India and hold an Indian Passport. Only those Non-Resident Indian students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students.

ADMISSION PROCEDURE

International students will be admitted directly against the 10% super numeracy seats, without appearing in the Entrance Test. This will not be applicable to the programs under the statutory bodies. These students shall be admitted to various Degree Programmes under the following categories:

- **Direct Applicants (Full Time Programme):** International students, who wish to join under Self-financed category, are required to submit their application to International Students Division (ISD) of the university. The ISD after document verification, eligibility check from respective departments, interview (online) will communicate to the respective department for further process.

- **Embassy sponsored candidates:** Candidates sponsored by the High Commissions/Embassies of Foreign countries.

International students seeking admission in any one of the aforesaid programmes will have to satisfy the minimum eligibility criteria for admission to the programmes as prescribed by the University.

OTHER REQUIREMENTS FOR ADMISSION OF INTERNATIONAL STUDENTS

a. All international students will require a 'Student VISA' endorsed to this university for joining programmes. No other end or segment is acceptable.

b. Any statutory clearances from MoE, Govt. of India, if required, shall be applicable.

EQUIVALENCE OF FOREIGN DEGREES FOR ELIGIBILITY QUALIFICATIONS IN CUP

The qualifications required for admission to different programmes will be included in admission brochure. Only those students who have qualified from foreign universities recognized as equivalent by the 'Association of Indian Universities' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. Degrees obtained from universities approved by the Department of Education/other statutory bodies of concerned country will also be acceptable.

REQUIREMENTS COMMON FOR BOTH MASTER AND Ph.D PROGRAMME:

a. Applicants, who have obtained a valid IELTS or TOEFL score, will get preference.

b. Those without a valid IELTS or TOEFL score, shall have to pass English Proficiency Test (CEPT) after joining the University. A student deficient in English will be asked to study language courses.

c. The students with a valid GRE/GMAT

score/grade will get preference.

STEPWISE PROCEDURE FOR ADMISSION OF INTERNATIONAL STUDENTS

The procedure for admission to a programme will be as given below. Students may submit the curriculum vitae directly to the ISD.

- Interested International students must read the admission brochure carefully to check the eligibility and visit website.

- International students should submit their curriculum vitae on the prescribed format clearly indicating their academic achievements along with self-signed copies of the documents to the Director, ISD, online/email.

- Photocopies of the following documents are required along with the application on a prescribed format:

- Proof of date of birth.

- ertificate and Mark-sheet of qualifying examination. If the Mark- Sheet/Degrees are in a language other than English then a copy of English version is to be submitted too.

- Copy of passport for foreign citizens or Dual citizenship card for PIO/OCI or NRI status certificate

- Soft copies of passport size photograph.(JPG format)

- Two letters of Recommendation

- Proof of adequate financial support in case of Self-financed category or scholarship/sponsorship.

Application Time line: Applications of foreign students for the academic year beginning July/August will be accepted beginning January 1 every year, so that the students able to obtain the VISA and NOC before the start of the academic session.

- The eligibility criteria will be determined by the concerned HoD and equivalency will be verified by AIU/committee of NIILM University. The applicant will be informed via by email, if found eligible.

- The self-sponsored applicant has to make a payment of non-refundable advance amount equivalent to US $ 100. The application will then be reviewed and if found suitable a 'Provisional Admission Offer Letter' will be issued to enable the student to obtain the VISA.

The 'Provisional Admission Offer Letter' will be submitted to the Indian Embassy of the respective country for obtaining the 'VISA' with a copy to self-sponsored candidate and/or to the concerned sponsoring agency/institution.

The candidate shall report to the university on the notified date for orientation and shall bring all above mentioned documents in original for verification by the ISD. The original certificates will be returned to the students immediately after making an endorsement to this effect.

The students are required to undergo the medical fitness examination at the university and get the medical fitness certificate. Government of India rules for international students entering India on 'Student VISA' for testing for HIV shall apply.

They are also required Top reduce HIV test report to the Doctor. All international students will be required to obtain medical insurance.

Admission of International students will be confirmed after verification of original certificates, medical fitness test and payment of required fees. Withdrawal of admissions/refund of fees cases will be dealt as per the guidelines of the university. Within a week of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO) and submit a proof of such registration to the ISD.

The International Students will abide by all the rules of the University and code of conduct as applicable to Indian students undergoing the same course. Anti-social and anti-national activities, misbehavior, violence and unethical activities involving international students will be deal in accordance with state and central laws that are in force. The university will not take any responsibility for any criminal or non-criminal acts committed inside or out side the campus by the international students.

SCHOLARSHIP

The Students admitted under direct applicant category are eligible to get merit scholarship/ earn-while-learn assistantship as per the prevailing norms.

SAFETY AND SECURITY

The university provides a range of safety and security services to ensure that the students are able to have a safe time while studying on campus. The following services and initiatives are available to students:

1. Security staff is available 24x7 in the campus.

2. It is important that all incidents and crimes be reported quickly to enable the university to take action. Reported incidents are formally recorded and investigated, and any information is treated with the strictest confidence.

INTERNATIONAL STUDENT MENTORING PROGRAM

The International Students Division (ISD) is single point of contact for the international students for their convenience and quick access. ISD assists international students in overcoming life changing experiences of arriving alone in another country and other cultural/academic challenges. The students shall have a mentor to get academic and personal guidance. Peer mentoring is also provided to all international students.

ELIGIBILITY UNDER VARIOUS CATEGORIES

- **All India (including Haryana):** A candidate applying from many parts of the country (including Haryana), who complies with the minimum eligibility criteria.

- **Haryana (General):** A candidate, who is a domicile of Haryana and complies with the minimum eligibility criteria. Unfilled seats if any, under this category will be transferred to the all India (including Haryana) category.

- **Haryana (Scheduled Castes):** The candidate must be a domicile of Haryana and belong to a scheduled caste of Haryana as notified by the State Govt. and should comply with the minimum eligibility criteria. Unfilled seats, if any under this category will be transferred to the all India (including Haryana) category.

- **Children/Wards of NRI (Non-resident Indian):** To be eligible for admission under this category, the applicant must fulfill the criteria as prescribed in the Ordinance of NIILM University.

- **Kashmiri Migrants:** One seat in each branch is reserved for Kashmiri Migrants. These seats will be supernumerary and will be filled on the basis of inter-se-merit, on the basis of marks of qualifying examination and subject to the candidate complying with the minimum eligibility criteria. They will be required to submit the original certificate of migration duly signed by the competent authority.

- **Unfilled Seats:** The unfilled seat(s), if any, under Haryana General and/or NRI category (excluding Kashmiri Migrants) will be transferred to the all India category including Haryana. A candidate, who applies under a reserved category, will be considered first under the all India Category. Only in case, he/she does not get a seat, he/she will be considered under the reserved category subject to the availability of a seat and as per his/her merit.

ATTENDANCE RULES

As regular attendance is an important element of education, no leave of absence will be granted except on a serious reason (especially on, medical ground). University will have an attendance committee comprising at least three senior teaching staffs Dean or Head of a particular department.

1. Minimum 75% attendance is must for the students to fill the university Examination form and to appear in End (final) Semester.

2. Students will have to complete 75% attendance clauses that will be considered as an average of all lectures, practical and tutorials. However, it will be mandatory for students to maintain a minimum of 50 per cent attendance in every subject.

3. Uncertified absence for more than 10 class days renders the student liable to be suspended/terminated from the rolls and usual admission fee will be charged if he/she is readmitted.

4. No student who comes late shall be allowed to enter in class without the permission of HOD. Fulfillment of minimum attendance criteria and satisfactorily clearance of all academic subjects are the sole responsibilities of individual student.

5. If a student has a genuine problem due to which her/his attendance has suffered, the committee will verify the reason. After the approval of the VC, the student will be allowed to appear for the exam.

6. 10% of total absentia of students due to illness may be considered by the admission committee if the student provides bonafide reasons with supporting documents. Example – If you are absent for 20 days due to illness then present of only 2 Days will be considered.

7. Attendance is given 5 marks weightage in Internal Assessment Marks for regularity in attending lectures and tutorial, and the credit for regularity in each paper, based on attendance, as per NEP-2020.

EXAMINATION RULES

1. It is compulsory to bring your Admit card & Identity Card with you.

2. Reach the examination Center at least half an hour before the commencement of the examination; and occupy the seat that bears your Enrollment Number.

3. DO NOT take any kind of ready reckoner to the examination hall.

4. Write your Registration Number, as given in the Admit Card, on the answer sheet & on the question paper also.

5. During the examination, follow the instructions of the invigilator strictly.

6. Hand over your answer sheet to the invigilator before you leave the Examination Hall.

7. Personal belongings like Bags, Purses, and Luggage etc. are not allowed inside the Examination Hall. These items should be kept outside the room.

8. Candidates are requested to cooperate to maintain perfect exam environment; any misbehaviour will be treated as violation of rules and the candidate will be expelled from the exam.

9. In case of non receipt or loss of the ADMIT CARD, a duplicate admit card will be issued at the Examination center.

10. Candidates must keep perfect silence and not allowed to use any gadget during the examination.

PLACEMENT CELL

The roots of the university lie in the learning and experience of the foundation. The foundation established the university for an explicit and clear social purpose, as a part of a larger strategy to contribute to the education and development sectors in the country.

The Placement Cell constantly thrives and acts as a platform to assist the students to find the ideal place of work to contribute to building a better society. Our students are passionate, capable and with a social bent of mind. They are eager to work in various domains of Education and Development in the country, such as Livelihood, Public Health, Public Education, Policy Analysis, Developmental Economics, Rights and Law, Sustainability, Community Level Engagement, Teaching, Programme Management & Evaluation, Research, etc.

GRIEVANCE REDRESSAL CELL

NIILM UNIVERSITY is committed to providing a safe, fair and harmonious learning and work environment. Grievance Redressal Cell facilitates the resolution of grievances in a fair and impartial manner involving the respective School / Dept. / Office (dealing with the substantive function connected with the grievance), maintaining necessary confidentiality, as the case may be. Any stakeholder with a genuine grievance may approach Grievance Redressal Cell at Centre for Students and Administrative Services (CSAS) to submit his/her grievance in writing or send through e-mail. The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the university.

ICC

NIILM University is a co-educational institution providing equal opportunities to all. Males and females work together in a congenial atmosphere, however if there are any complaints involving physical contacts or advances, demand for sexual favours, sexually tainted remarks, and any unwelcome physical, verbal or nonverbal expressions of a sexual nature; it is addressed and appropriate action is taken. This cell aims at sensitizing the students and staff to work diligently to prevent sexual harassment in the college. Complaints of sexual harassment shall be lodged with the committee and appropriate disciplinary action is initiated by the members in accordance to the rules and regulations of the University.

ANTI-RAGGING CELL

The Anti-Ragging cell will deal with all disciplinary matters. The Committee shall constantly monitor the behaviour of the students. All disciplinary matters will be placed before the Committee, which will hear the matter and report it to the Governing body, which will take action according to the due process of law. The affected student is required to submit an anti-ragging affidavit as per the UGC notification. Continuous watch and vigil over ragging by university and the University will promptly deal with the incidents of ragging brought to its notice. The University will summarily punish or reprimand the guilty student, either by itself or by following procedures, administrative or otherwise, by constituting a special Enquiry Committee and put forth its findings or recommendations before the competent authority to take a decision. Students are encouraged to report any ragging act witnessed or experienced by them to the university administrators, faculty, Anti-Ragging Cell and Grievance Redressal Cell or any other staff member with whom the student may feel comfortable. The University ensures the confidentiality of such a disclosure by the student.

ZERO TOLERANCE FOR RAGGING

RAGGING

GUIDANCE & COUNSELING CELL

The aim of Guidance and Counselling cell is to provide comprehensive guidance programs and services that will equip students with necessary knowledge, attitude and skills to become mature and socially responsible individuals. It aims to promote a just and humane society. The Guidance and Counselling Cell is determined to provide services to students and to journey with them in their lives by helping them build more resources within themselves, remove barriers that hinder their growing potential and feel more equipped to find their way in the world.

LEGAL LITERACY CELL

Majority of rural people are unaware of their legal rights, being illiterate or with poor educational background. This may even be true for many of the literate people, of urban as well as rural areas. They are usually not well versed with what are their rights and entitlements under the law. This lack of legal awareness many times leads to the exploitation and deprivation of rights and benefits. The Legal Literacy Cell organizes various workshops, seminars, lectures and competitions to create awareness among the students about their legal rights.

CENTRE FOR PROFESSIONAL DEVELOPMENT (CPD)

उद्यमे हि सिध्यन्ति कार्याणि
HARD WORK IS THE KEY TO SUCCESS

Success is a Journey and it is not the destination. Disappointments, Rejections, Unsuccessful attempts and Criticisms are not failures to the Successful people. Failures are the Part of success. Winners use failures as stepping stones to success. This is the only difference between people who win and people who don't!
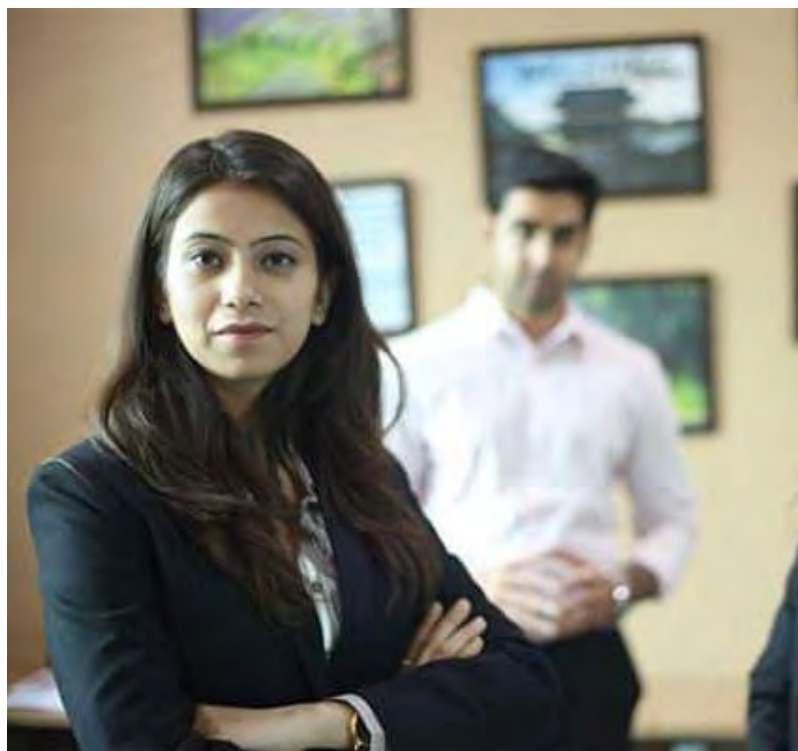

NIILM University Centre for Professional Development (CPD) is focussed on the all round development of the students to ensure the intellectual skills, and lay emphasis on the personality and soft skills development programs for their professional growth. The famous proverb "Knowledge is Power" which means Knowledge has the ability to conquer the world. Knowledge gives the name, fame, strength, power, money, position, all those things which we would like to possess, but only Knowledge can't give wisdom & prosperity, application of knowledge is equally important. Holy Bhagwat Geeta put profound emphasis on Karmayogi and Gyanyogi. Gyanyogi, the one with right knowledge, and Karmayogi, the one who does righteous deeds, means application of knowledge. A person must develop as Karmayogi & Gyanyogi, means Knowledge and Action must be interwoven. NEP 2020 recommends outcome-based education, outcomes of education must reflect in the knowledge, skills and behaviour of the individual. Learn, Unlearn and Relearn cycle of gaining and applying knowledge, discarding out of date information and gaining new information. NIILM University CPD develops various programs to train the students, and faculty on 21st century skills. Centre for Professional Development is developing various programs in education, academics, courses, career guidance, counselling, research, publications, and conduction of trainings, workshops, seminars, conferences, exposure visits, and internships.

OUR COLLABORATION

In this new era of higher education, collaboration is a strategy that many institutions will need to follow simply to survive. But partnerships are also a winning approach for colleges operating from a position of relative strength right now. Collaboration can provide a much-needed boost- and quickly- in academic and co-curricular offerings for institutions without strengths in certain areas. By emphasizing collaboration, we can define this new era of higher education as one of growth through cooperation rather than retrenchment. NIILM University's students are passionate, capable and with a social bent of mind. They are eager to work in various domains of Education and Development in the country.

LIFE AT CAMPUS

We believe that learning is embedded in the relationships that you form and develop, whether with classmates and faculty members or with your experience of the natural world. Our community is small enough that you can know everyone and be known.

You'll get many opportunities to bond and connect with your peers through various clubs and communities, extra-curricular activities and cultural fests. These interactions not only enhance the overall personality of our students, but are also essential for creating a well-balanced learning environment for them.

A home away from home, the campus offers many outlets of creative independence for students to pursue their interests and hobbies, while also providing opportunities to participate in community services.

FACILITIES
AT A GLANCE

- On campus accommodation for staff & guests.
- Hostels facility for Boys & Girls.
- Furnished with Storage facilities.
- 24x7 Power Backup
- 24x7 Potable water
- Hot water in hostels (in Winters)
- Indoor and outdoor games
- Internet connectivity through Wi-Fi system and fiber optics
- Hygienic mess with delicious meals
- 24x7 Security
- 24x7 Medical facilities
- • Lush green campus with plants and trees.
- Smart class rooms with audio visual facilities.
- Hi-Tech air conditioned computer labs.
- High Speed internet connection & Wi-Fi available for 365 days, 24 hours
- Tutorial rooms to conduct problem solving sessions
- Campus is 24x7 under CCTV surveillance along with security guards
- Ample space for parking

LIBRARY

The library serves as a backbone to all academic activities on the campus. Our library House has a collection of 34,000 books including texts and reference materials, journals, magazines, audio-videos, CDROMS and research reports which have been carefully selected from a number of national and international professional institutions. All students have direct access to library resources not only of their own faculty but also of other faculty to promote interdisciplinary interaction. The library provides a quiet study space for students on campus; it may also provide group study space, such as meeting rooms. The library provides a "gateway" for students, faculty members and researchers to access various resources, both print/physical and digital. The university's library has subscribed to electronic journals databases, providing research and scholarly writing software, and usually provides computer workstations or computer labs for students to access journals, library search databases and portals, institutional electronic resources, internet access, and course- or task-related software (i.e. word processing and spreadsheet software). They are increasingly acting as an electronic repository for institutional scholarly research and academic knowledge, such as the collection of digital copies of students' theses and dissertations.

HOSTEL FACILITY

We understand that accommodation is an important part when you are looking for an institute to join. Hence the University has a full-fledged hostel facility for boys & girls separately inside the campus.

NIILM University has provided separate hostel blocks for boys and girls with full time resident Hostel wardens for both. The Hostels have excellent facilities such as well ventilated, spacious rooms with high quality furniture, separate study table and cupboard for each resident and attached bathrooms.

There is a hygienic mess serving wholesome meals throughout the day in a separate Dining Hall. The recreation room has facilities for indoor games, magazines & periodicals and satellite T.V. service. A designated area has been provided for outdoor games also. There is 24 hours running water with solar heaters and the electric supply is uninterrupted with the help of power generating sets.

Hostel rooms are provided within University campus and are coupled with all facilities that include:

- Furnished Rooms
- Wi-fi
- Laundry
- RO Water

- 24x7 Power Backup
- Games Lounge
- 24x7 Security & CCTV
- Library & Lab access

- AC & Cooler Rooms
- Nutritious Food
- First Aid Facility

STUDENT TESTIMONIALS

The Law Department at this university is fantastic. The courses are tough and cover everything you need to know about law. The professors are really smart and always ready to help. The hands-on experiences, like clinics and moot court competitions, have been great for getting me ready to be a lawyer. There's a strong sense of community here, with students and teachers supporting each other.

Harshita, BA.LLB

As an international student, I wanted a law program that looked at law from a global point of view. The BA.LLB program here is just right. The courses are well-organized, and the teachers have lots of international experience. The university has strong links with law firms and other organizations, which has given me many chances to network.

Rudi, BA.LLB

The Hotel Management program at this university is great. The classes are fun and teach you everything about running a hotel management. The professors are experts and very helpful. The hands-on training in real hotels is really valuable, and the supportive environment makes learning fun.

Seema, Hotel Management

Joining the Hotel Management Course at NIILM University was a great choice. The program covered everything about the hospitality industry, from working at the front desk to advanced management skills. The hands-on training and internships gave me real-world experience, which helped me get a job at a leading hotel. The teachers were experts in the field and always ready to help. I strongly recommend this course to anyone who wants a career in hospitaity.

ONE DAY NATIONAL SEMINAR

ON

"RESEARCH AND PUBLICATIONS ETHICS IN THE MODERN RESEARCH"

AUGUST 27, 2023, SUNDAY

On August 27, 2023, a one-day national seminar on "Research and Publications Ethics in the Modern Research" was held at NIILM University, Kaithal. The seminar showcased the importance of ethical practices in contemporary research and publishing. Leading experts discussed issues such as plagiarism, data integrity, and authorial responsibility. Participants were educated on best practices and ethical guidelines to demonstrate the credibility of the scholarly work. The program emphasized the need for integrity and investigation in its favour.

One day National seminar organized at NIILM University Kaithal

RAMAN GUPTA
KAITHAL, AUG 28

Along with subject knowledge, technical skills are also necessary to do excellent research work. Especially it is necessary to be well versed in research related technical tools. Calling for taking the research work out of the laboratory and moving it from lab to land, the Vice Chancellor of NIILM University, Prof. Shamim Ahmed expressed these words. The Vice-Chancellor today inaugurated the one-day National Seminar Research and Publication Ethics in the Modern Research" organized by the University. Speaking as the chief guest in the national seminar, Professor Roshan Lal, Head, Department of Psychology, Department of Psychology, Panjab University, Chandigarh, said that a researcher should have the curiosity to continuously learn new things, only then he can give something new to the society in his research results. Explained in detail to the researchers about Research Proposal, Research Methodology, Research Objective and Publication. Dr. Jagatveer Singh, Head of Department, Department of Mathematics, All India Jat Heroes Memorial College, Rohtak participated as a very special guest in this one day national seminar and said in his address that such events increase the self-confidence of researchers. He congratulated the university administration for organizing this national seminar. Dean Academics Prof. R.K. In his statement, Gupta underlined the importance of science and technology in the Indian knowledge tradition as well as the importance of the New Education Policy 2020. On this occasion, University Director Dr. Balraj Dandha, Director Dr. Sandeep Chahal, Director Research Dr. Pawan Dasmana, all the professors were present.
