IPR, Legal and Ethical Matters Committee

This committee will function with the prime focus of enabling researchers to identify, generate and protect their intellectual property (IP) through filing procedures for rights like patents, copyrights, trademarks, designs, etc. This committee envision creating an environment for acquiring new knowledge through innovation, developing an attitude of prudent IP management practices and promoting an IPR culture compatible with the educational mission of the academic institution.

Dr. Rishika Bhardwaj, Department of Physics

Dr Viakshdeep Singh Kohli, Department of Law

Dr. Sonu, Department of Commerce

Dr Vikrant, Department of Mechanical Engineering

Dr Preeti, Department of Botany
